

Goodbye sanding

Hydro-oils for decking and garden furniture

Long-lasting solutions for floorings, garden furniture, coverings and watercrafts in exterior

The Ultimate Protection ^{UV+} systems are smart solutions to improve wood longevity. The water-based Ultimate Protection ^{UV+} range is created to ward off the attacks from the most aggressive atmospheric and biological agents, thus revolutionising the concepts of care and maintenance. Thanks to UV+ Protection and Radical Block technologies, the Ultimate Protection ^{UV+} oils fix the original beauty of outdoor floorings, garden furniture, coverings and watercrafts over time. Thanks also to its Self-Consuming formula, maintenance and restoration, which are normally complex and demanding procedures, finally become quick operations, as sanding is no more necessary.

Main advantages of Ultimate Protection ^{UV+} solutions

- They are self-consuming and do not peel off
- They don't need sanding
- They resist to solar radiation
- They impede fungi, moulds and bacteria from proliferating
- They shield from water
- They defend against salty sea mist
- They protect from abrasions and foot traffic
- They nourish the wood, enhancing its original features

Ultimate Protection ^{UV+} solutions are attentive to the nature.
The water-based formulas reduce VOC emissions and are odourless.
